clare their belief that Brownlow is personally innecent of any participa-tion in the theft of the "sacred school

more black females than males."

the best raised since the war, but this year's crop beats it. The fall fair commences October 5th. Samuel Kendall, one of the earliest settlers of Paris, died there on the State of the positive disapproval of a with the with the with the positive disapproval of a with the w Paris, died there on the 21st ult.

l'ennessee, is announced as a candidate for Congress in the Third District, now represented by Hon. Wm. B. Stokes. He says if he is elected be will exert himself "to promote the be recognized in legislative bodies. general good of all the people of Ten-

Colonel Augustus Sowell, who resided six miles west of Trenton, earne to his death on the 21st inst., while on his way to town. He was riding on horseback, and in crossing a bridge the train passed, frightening the horse, and causing him to throw the broken, of which injury he died.

A Tennessee exchange is somewhat angry and says: "One or two candidates have not as yet paid for their announcements, although they promised to do so, "in a day or two," their names were announced. We Con't want to hurt any body's feelings sed both Houses. The Conserva or make them mad, but if they don't lives voted against it in a body. The pay up before our next issue, we will hope of the people is in an Executive drop their names from our columns as certain as fate.'

The Murfreesboro News says: "At a meeting of the Mayor and Board of Aldermen held on the 22d instant, an ordinance was passed permitting up at lightning speed. each head of a family in the corpora-tion to keep only one dog on their kept over this number, three dollars skall be collected by the proper officer. This ordinance is to take effect thi ty days from its passage."

The Whig also says; "Pomp," the Pomp," the faithful old horse that belonged to Uncle Tommy Beveridge, died on last Monday, and was buried out of sight of the vultures of the air by his kind old master. He was twenty-five years, two months and nine days old-commenced labor when three years old, and his first work was hauling brick with which to build West Tennessee College.

LOUISIANA.

A Mr. Dixon was killed in a bloody encounter near Crow Lake Station, Quachita parish, Louisiana, a few days since, by Jas. Wynn, The New Orieans and Havana mail

cers elect of the new First Louisian infantry volunteers. C. W. Squires is the Colonel of the artillery, and W. J. Behan the Lieutenant Colonel, all of the Governor to levy a special condition of New Origans.

The Legislature deserves to have of the Governor to levy a special condition of the Governor to levy a special condition. The trial occupied four days.

Three squares of the central business stroyed by fire on the 29th ulf., including three livery stables, two hohouse and several large business houses. Forty houses destroyed. The loss is estimated at \$250,000. Insur-

ance unknown. The Baton Bouge Gazette and Comet is so preposterous that we have not to Duke Albert of Austria, says: "A lady of our acquaintance, deemed it worthy of serious remark." and a resident of Baton Rouge, by the At a cost of \$70,000 the present com-way, not long ago sent to one of the modious State House building can be city dailles a pleasant little poem en- repaired so as to answer for generatitled "May Thirtieth," which was tions to come the purposes for which intended to commemorate the birth- it was erected, while not less than

whose whole title is John Boston, and whose revolving has been done about chicken coops in New Orleans. When arrested and brought before the magnetistrate he protested his innocence. "And you deny having taken the chickens, John?" asked the Judge. "Hi, boss, sartin. I never tak 'em." But the officer says he loging them."

In the officer says he loging them in the building of other establishments, the Governor's house included, which would be a matter of course. Even more absurd is the proposition for the Legislature to change its quarters temporarily for the jurpose of gratifying the curiosity of other communities who wish to inspect the "menageris."

The California emigrant agent left. Sew York vesterday for a years' "But the officer says he found them in your possession." "Sar" "You had them in your hands when ar-rested." "Yess, boss, but I didn't stole 'em." "How did you com by them?" "I borrowed 'em." "The owner says not." "Well, you see, owner says not." "Well, you see, boss, he was asleep when I went to borrow them chickens, an' I didn't July will be celebrated here by a formuch attention in England. We like to turb him; so I jis tuk 'em, an' mal opening of Eden Park. The would as soon record the result of a leave to stead the sound of the sound of

DENVER, July 3.—The United news. June sold 14,338 acres of land. The business of the second quarter, ending June 30, was 48,368 acres,

If the funding bill, so-called, which is the most gigantic robbery of the age, putting all our legal tender debt upon a gold basis, passes Congress, as it is decared it will, there will be but one remedy. That remedy is in the entire and utter repudiation of every dollar of it, principal and interest. So says the Enquirer.

POLITICS.

The Executive Committee of the Union League of America have been holding secret sessions in the St. promote the success of the Republican party this fall. Ex-Governor Jewell, of Connecticut, the only representative from New Ecgland, and the West had but one representative, namely, James T. Reach of tative, namely, James T. Beach, of

Missouri. The Senate slept over the tax and taxiff bill, which seems to have lost

rop in that section, excessive rain While during the week. He is well pleased.

About four-fifths of the counties of the pleased.

Miss Ames Keitie was thrown from a refractory horse near Milan, Gibson county, one day last week, and so badly injured that she died from the effects in a few hours.
